

## Corporate Data 2025

### HONMA Corporation

Since the foundation of our company in 1934, we have enjoyed the continued support and corporation of our valued customers and clients in business.

We convey our heartfelt gratitude and appreciation to our customers and clients for this sustained support and hope our future business relations will grow stronger and mutually beneficial.

As a corporate citizen, we place priority on contribution to our communities and society at large. We will therefore make every effort to further expand a reliable and trustworthy relationship with our customers and clients through the creation of a better environment for the harmonious co-existence of humans, nature and cultures by responding promptly to the ever-changing needs of society.

We look forward to your continued support in business and other areas in the future.
